

Announcing Representation Across Canada

Northwest Atlantic (Canada) Inc. Brokerage is pleased to announce real estate expansion plans across Canada for our client **Bed Bath & Beyond**.

Founded in 1971, Bed Bath & Beyond stores offer floor-to-ceiling shelves stocked with better-quality brand name and private label goods in two main categories: domestics (bed linens, bathroom and kitchen items) and home furnishings (cookware, cutlery and small household appliances) in addition to décor items, such as picture frames and more.

The company's 962 stores principally range in size from 20,000 to 50,000 square feet, with flagship stores often considerably larger. Bed Bath & Beyond stores combine superior service and a huge selection of items at everyday low prices, within a constantly evolving shopping environment that has proven to be fun and exciting for customers.

Bed Bath & Beyond in partnership with Northwest Atlantic, intends to expand its Canadian presence. The concept is ideally suited to locations between 25,000 and 35,000 sq. ft. with an 18' minimum ceiling height.
