

NORTHWEST ATLANTIC

EXCLUSIVE REPRESENTATION ACROSS CANADA

Northwest Atlantic (Canada) Inc. Brokerage is proud to announce our newest client **Country Style Bistro Deli** and their real estate expansion plans for Canada.

Country Style Food Services Inc. was founded in 1963. It is the second largest coffee and baked goods franchisor in the Quick-Service Restaurant sector in Ontario, with over 400 franchised and corporate locations.

Country Style is excited to launch a new upscale image that combines a branded coffee and a branded Bistro Deli sandwich offering. The new image repositions the Country Style brand between the specialty coffee category and the coffee/donut category. The introduction of new offerings that promote healthier options also includes a unique line of sandwiches, soups, wraps and salads. New interior décor supports the Country Style positioning of “it’s going to be a good day”, while the new store design promotes itself as a place to call “my neighbourhood coffee shop”.

Country Style, in partnership with Northwest Atlantic, seeks to expand its presence in Ontario. The concept is ideally suited for 1,000-2,400 sq. ft. locations in a wide range of location formats including streetfronts, office towers and partnerships with retailers.
