

NORTHWEST ATLANTIC

REAL ESTATE SERVICES

ANNOUNCING A NEW PARTNERSHIP

Northwest Atlantic is very pleased to announce our expanded relationship with **Dairy Queen Canada Inc.** Dairy Queen® has selected Northwest Atlantic as its outsourced real estate services provider. Northwest Atlantic will be representing the real estate interests of Dairy Queen® throughout British Columbia, Saskatchewan, Manitoba and all of Eastern Canada.

The Dairy Queen® concepts currently expanding are:

DQ Grill & Chill® serving a full line of food services including hamburgers, hot sandwiches, quesadillas and soft serve treats. DQ Grill & Chill® locations are 3,000 square foot freestanding units with full drive-thru facilities. The expansion program for this concept is throughout Canada, with the exception of the Province of Quebec.

DQ Treat Center® serving a full line of soft serve treats together with fresh juices and blended smoothie drinks. DQ Treat Center® outdoor locations are 1,500 square foot freestanding or endcap buildings with full drive-thru facilities. DQ Treat Center® enclosed mall locations are approximately 350 square feet in kiosks, inline locations, food courts, mall entrance and non-traditional locations such as airports and institutions. The expansion program for this concept will be throughout all of Canada, with particular focus on the Province of Quebec.

Orange Julius® serving a full line of fresh juices and blended smoothie drinks. Orange Julius® enclosed mall locations are approximately 200 square feet in kiosks, inline locations, food courts and entrance locations.

More information about Dairy Queen® and their family of concepts is available at www.idq.com
