

Exclusive Representation Across Canada

Northwest Atlantic (Canada) Inc. Brokerage is pleased to announce real estate expansion plans across Canada for our client **EB Games** and **GameStop**.

First established as an American company in 1977 with a single electronics-focused kiosk in the King of Prussia Mall, GameStop has grown into an international corporation with over 6,200 stores worldwide and over 300 stores in Canada, making it the world's largest video game and entertainment software retailer.

The GameStop and EB Games retail locations set them apart in the industry. Everything that they offer their customers - from their expansive selection of new products, to their knowledgeable associates and their value-added pre-owned products - is geared to deliver customer satisfaction. EB Games and GameStop hold a passion for gaming, a commitment to the industry and a disciplined business perspective to continuously drive value with customers.

EB Games and GameStop, in partnership with Northwest Atlantic, looks to expand its Canadian presence. The concept is ideally suited to enclosed locations between 1,000 and 1,200 sq. ft. with a 20' minimum frontage. For power centres, street front or strip plazas in Eastern Canada their ideal size is between 1,500 and 2,000 sq. ft.
