Northwest Atlantic (Canada) Inc. Brokerage is pleased to announce real estate expansion plans across Ontario and Eastern Canada for our client **Kool Kovers**.

Kool Kovers delivers a wide range of outstanding accessories imported directly from manufacturers for the latest iPhone, iPad, LG, Sony Ericson, Motorola, Samsung, Nokia, HTC and Blackberry devices.

In addition to selling the coolest accessories, Kool Kovers provides a full-service centre that can unlock phones in 30 minutes or less and repair phones and Blackberrys within 24 hours or less.

Kool Kovers, in partnership with Northwest Atlantic, is seeking to expand its presence in Ontario and Eastern Canada in enclosed malls. The concept is ideally suited to 200 sq. ft. kiosks.
