## EXCLUSIVE REPRESENTATION ACROSS CANADA

**Northwest Atlantic (Canada) Inc. Brokerage** is proud to announce our newest client **Magnolia Silver Jewellery** and their real estate expansion plans for Canada.

Magnolia Silver Jewellery continues to be Israel's leading retailer of fine silver hand crafted jewellery, made of precious and semi-precious metals and stones. Each watch, earring, bracelet, necklace, pendant and anklet are designed by one of 20 artisans who produce over 100 new SKU introductions weekly, allowing them to constantly keep pace with the ever changing fashion accessory industry. Their business is primarily generated from fashion-focused females aged 14-50.

Over the last three years, they have established in-roads into international markets such as Hungary, Czech Republic, Slovakia, New York, Australia and most recently, Canada.

Magnolia, in partnership with NWA, seeks to immediately expand its Canadian presence through Ontario. The concept is engineered exclusively for 200 sq. ft. kiosks within enclosed, regional shopping centres with annual traffic greater than 4 million people.
