**Northwest Atlantic** is very pleased to announce their newest client **okaïdi** and their real estate expansion plans within Canada. **Okaïdi** is a unique brand of modern children's wear built on values that create an international appeal.

The **okaïdi** brand is true to the values that created it, values that make it universal and accessible to everyone by offering the best of the brand at the best possible prices. Recognizing that change and renewal are essential for a long-lasting concept, **okaïdi** offers an exclusive line of children's clothing that combine hip, classic and vintage designs with mass appeal. **Okaïdi** is a vibrant brand that appeals to the senses, to curiosity and to emotion, accentuated in a clothing line made of the highest quality fabric in the latest colour and fashion trends; fashionable and functional clothing that let kids be kids, without compromising style.

The **okaïdi** retail concept is ideally suited for enclosed mall locations of 1,500-2,000 sq. ft., with a minimum 20 ft. frontage. Current expansion plans are for opportunities within the greater Toronto and Montreal markets in high fashion Centres, adding to their first Canadian store open in Carrefour Laval. **Okaïdi**, in partnership with **Northwest Atlantic**, is committed to opening an additional 3-5 locations in 2006.

**Okaïdi...Working to make a better world for growing children.**
