

## Announcing Representation Across Canada

**Northwest Atlantic (Canada) Inc. Brokerage** is pleased to announce food court and outdoor real estate expansion plans across Canada for our client **Pizza Delight**.

Founded in 1968, Canadian owned and operated Pizza Delight now has over 100 sites nationally including locations in Atlantic Canada, Quebec, Ontario and Alberta as well as two food court locations in Atlantic Canada. Pizza Delight has been built on family values and holds true to these principles everyday: to start with a great pizza and top it with friendly down-to-earth service. For over 40 years generations have come to love their Italian-inspired menu of pizza, pastas and salads. Pizza Delight still makes their pizza dough fresh every day, add your favourite toppings, their secret recipe sauce and finish it off with their signature cheese blend. Customers know that wherever they are, Pizza Delight always feels like home.

Pizza Delight in partnership with Northwest Atlantic, intends to expand its Canadian presence. Food court locations and take-out locations are ideally between 300 and 500 sq. ft. with an 18' minimum frontage. For outdoor centres in Ontario and the Maritimes the ideal size is 1,000 sq. ft.
