

Announcing Representation

Northwest Atlantic (Canada) Inc. Brokerage is pleased to announce real estate expansion plans focusing on Ontario for our client **Umi Sushi Express**.

Umi Sushi Express is a casual restaurant chain serving ready-to-serve Japanese cuisine. As the latest creation by The Famous Wok Group, Umi Sushi Express joins seven other subsidiaries including Famous Wok, Flaming Wok, Sizzling Wok, Famous Cajun Grill, Famous Sushi, and Umi of Japan. Famous Wok Group's success started its humble beginnings in 1986 with buffet restaurants in Saskatoon, Canada before expanding to serve shopping center dining crowds across the U.S. and Canada. The key to success has always been providing high quality products in over-sized portions.

Today, Umi Sushi Express is poised to bring the health benefits of the Japanese diet to busy people, with the consistent quality and value you've come to expect from a restaurant chain with over 150 stores.

Umi Sushi Express, in partnership with Northwest Atlantic looks to expand its Canadian presence, focusing primarily on Ontario. The concept is ideally suited to 150-200 sq. ft. Kiosks with 12-15' minimum frontage and 200-400 sq. ft. in-line with 20' minimum frontage.
