Northwest Atlantic is proud to announce that it has been retained to exclusively represent the real estate needs for **Café Suprême** across Canada.

Café Suprême's upscale, European café style bistro offers the discriminating customer fresh, nutritious alternatives to conventional fast-food with a wide variety of gourmet food choices including "nouveau" salads and signature sandwiches complimented with specialty grade gourmet coffee and fresh baked products. The **Café Suprême** design concept is intended as a gathering place where their clientele can meet, talk, and eat in a urban setting that makes the customer feel at home.

Since its establishment in 1980, **Café Suprême** has opened over 100 locations, including international expansion into the United Arab Emirates and Kuwait. **Café Suprême** seeks future expansion opportunities in mixed-use office towers and regional shopping centres across Canada and are ideally suited for 750 sq. ft. in-line or corner locations with minimum frontage of 25 ft.
